

The BIG Feast

Host a fundraising meal with your friends

Host a coffee morning, brunch, lunch, or even a full dinner party and help raise funds for The Countrymen UK.

We're a local charity supporting older men facing loneliness or isolation through age or illness through meaningful farm-based activities like animal care, woodwork, gardening, and maintenance.

Please help by hosting an event for your friends sometime in February and sell tickets at a price you decide.

Thank you for helping us make a difference.
